# Thousands Crowd Historic Angelus Temple as Unique Father and Son Team (A.C. VALDEZ, Jr., and A. C. VALDEZ, Sr.) Conducts Campaign

*Signs — Wonders — Miracles — Witnessed Each Night*

A FORETASTE OF THE HEAVENLY GLORY and power was showered in copious downpours upon the father-son campaign of Rev. A. C. Valdez, Jr., and Sr., just completed in Angelus Temple, who came to Los Angeles at the invitation of Dr. Rolf K. McPherson, President of the International Church of the Foursquare Gospel and Dr. W. B. Teaford, Co-pastor of Angelus Temple. Thousands crowded the Temple during the three-

week campaign to hear the Word of God and to rejoice in the marvelous testimony and revelations which have been given to Rev. A. C. Valdez, Jr.

Beginning on July 26 and continuing nightly through August 16, the services were the scene of thousands of conversions and of mighty miracles releasing men, women and children

from bondage of practically every type of disease known to human woe. In every meeting the glory of God was manifest and as these mighty men of God poured forth from their hearts the message of deliverance, hundreds were released from fear and oppression to believe the simple yet powerful truths of the Full-Gospel Pentecostal tidings that "Jesus Christ IS the same yesterday, today and forever"—willing to heal, willing to

bles and willing and anxious to save mankind from their sins and physical sicknesses.

At the 2:30 afternoon hour, Rev. A. C. Valdez, Sr., conducted daily Divine Healing Instruction services, which were attended by large crowds of those who needed healing for their bodies and others—well in body—but wishing to drink deep from the fountain of spiritual knowledge which flows so freely from this man of God. His messages which were delivered with great power and anointing proved an outstanding highlight of the Campaign.

Every evening Rev. A. C. Valdez, Jr., spoke to the assembled multitudes which on more than one occasion packed the huge auditorium of beautiful Angelus Temple to the dome, filling over 5000 seats of eager, expectant hearers. Coupled with this was the vast listening audience of Radio Station K.F.S.G., third oldest Radio Station in Los Angeles which is owned and operated by the Echo Park Evangelistic Association (legal name of Angelus Temple). Estimated by the management of the Radio Station based on letters received, this audience totals around 200,000 listeners in cities throughout Southern California, and many letters are being received at the present time telling of the blessings and healings as these thousands dared to believe God and step out on faith when urged to do so by the Valdez team.

### FULL GOSPEL BUSINESS MEN'S FELLOWSHIP A GREAT BLESSING

From the beginning the Campaign had an inter-denominational aspect and co-pastors McPherson and Teaford heartily welcomed the score of ministers from various Pentecostal bodies who came to lend their support in making the campaign one of outstanding memory and results. Especially lending their weight and assistance in attendance and service was the Full Gospel Business Men's Fellowship of Southern California with the International President Demas Shakarian, who is known throughout the Pentecostal world for his consecration and leadership in bringing Full-Gospel groups into fellowship, taking a prominent part in the services. Representative ministers from the Assemblies of God, Pentecostal Church of God, Open Bible Standard, Church of God, Pentecost and others were found nightly in the services and on the platform to rejoice together in the mighty outpouring of His grace.

Among the many special nights designated, several will long be remembered. Outstanding among these were three of the Sunday night services—the first of which featured the testimony of God's gift of healing to Rev. A. C. Valdez, Jr. Packed to the dome, the Temple audience was like a majestic organ which broke forth in cascades of praise and sobbing, rejoicing and holy laughter, and then hushed into deepest awe and wonder as they heard the very deepest revelations from the soul and heart of a consecrated minister who heard the Voice of God and beheld the bestowment of a mighty Gift

from the Spirit upon his life and ministry. On the following Sunday evening Rev. Valdez again ministered in mighty power as he spoke about the revelations which God has given to him of the forthcoming judgments upon the peoples of the earth. Sound and Scriptural, the message bore the witness of the Spirit and truly those who attended these services will never again be the same.

### TESTIMONY GIVEN BY NOTED NUCLEAR SCIENTIST—SAVED AND FILLED WITH HOLY SPIRIT

The last Sunday night of the Campaign saw the Temple crowded out at an early hour with late comers standing. *Featured on this evening's service with Rev. Valdez, Jr., was the noted nuclear scientist of America, Dr. N. J. Stowell, who was converted from atheism as recently as June 12, 1953 and has since received the Baptism of the Holy Spirit and received mighty revelations from God and a call into the glorious service of the King!* Recognized as an authority in the field of atomic energy, Dr. Stowell gave his testimony and also answered as many technical questions regarding the hydrogen bomb as he was permitted to do in the scope of National Security. This portion of the service was not broadcast due to security reasons and proved to be an effective foil for the message of the evening by Rev. Valdez, Jr., entitled "When Will The Hell Bomb Be Dropped?" At the close of this message, hundreds again streamed to the altars to make their calling and election sure. As the penitents streamed forth from all floors of the Temple, the space provided for

seekers was entirely too small and the aisles, choir lofts and platform were pressed into service to accommodate all who desired to "hide in the Rock of Ages."

### SIGNS, WONDERS AND MIRACLES PRESENT EACH NIGHT

At the close of the altar call each night the Healing Lines were formed and time after time, night after night, the power of God's Divine Health and Healing Virtue was poured forth through the manifestation of the Gift given to Rev. Valdez, Jr. Miracles of every description were performed. *The blind saw the wonder of light for the first time, the deaf heard the joyful tones of human voice and blessing, the dumb spoke in beginning sentences, unaccustomed to the magnitude of it all. Goiters disappeared, before the very eyes of the audience, cancers melted away and those paralyzed in limb and body were made every whit whole.* One lady who had suffered from a collapsed lung was completely delivered and found nightly in the Temple praising and magnifying God. At various times a great healing wave would sweep over the Temple and scores were healed in the audience without seeking special prayer from the platform. Testimonies are pouring into the office of Angelus Temple of what God has wrought in body and soul.

The complete results of the Campaign will never be recorded on this earth, but all joined in the hearty invitation for the soon return of this consecrated father and son team to again bring to Angelus Temple and the Los Angeles area another great campaign of God's blessing.

A VIEW OF ONE OF THE ALTAR CALLS is shown here. Penitents were so numerous the space provided the seekers was entirely too small and the aisles, choir lofts and platform were used.
