## California Churches Blessed By Tommy Hicks

Dear Brother Lindsay:

Have read of your glorious trip to Europe. How it thrilled our hearts to hear such wonderful reports.

Just closed a wonderful meeting in Tulare, California. Some 136 received the Baptism, about a hundred were saved, and many were reclaimed. In Torrance the meeting was even greater in healing ministry. The ninth of July we open a union tent meeting with several of the Full Gospel churches. **Healing and Revival Press 2018**
