

## **Precious Blood**

Hymn By Louise L. Nankivell

The blood of Jesus is so precious  
Because it saves me from all sin;  
He shed His blood for my salvation  
To cleanse and make me pure within.

The blood of Jesus is so precious  
Because His blood has brought me nigh;  
I once was lost in sin, a stranger  
But now I have a home on high.

The blood of Jesus is so precious  
Because His blood has made my peace;  
I find sweet rest in serving Jesus,  
He bids my ev'ry struggle cease.

The blood of Jesus is so precious  
Because it gives me victory;  
I overcome by simply trusting,  
And now in Him I am made free.

## **Chorus**

Precious blood, precious blood,  
More precious than silver or gold;  
Precious blood, precious blood,  
His blood is of value untold.
